NOTICE TO CAPITALISTS.

I SHALL Proceed to sell to the highest bidder for cash, at the Court House door in the town of Louisburg, on the 1st Monday in November next, it being the 7th day of the month, some Twenty or Twenty-five Thousand Acres of valuable Land, among which is the well known Portis Gold Mine, lying in Franklin county on the waters of Fishing and Shocco Creeks, containing nine hundred thirty-three and one-third (933⅓) acres together with all the Machinery and appurtenances.

Also all the chattle property. This property is so well known that any particular description is deemed unnecessary. The entire tract is rich in Gold, and all the difficulty is a full supply of water. We are informed that an Independent Water Company is now surveying a ditch from Sandy Creek to supply this and other Mines in the neighborhood with water. When this is done and it will be accomplished in a few weeks, this property will be immensely valuable. The property will be sold for cash and unless parties from a distance come in competition, it must be greatly sacrificed.

WEDNESDAY, OCTOBER 19, 1870.

CONSERVATIVE CANDIDATE.

For House of Representatives.

DR. J. B. DUNN,

SPECIAL ELECTION 10TH NOVEMBER, NEXT.

DEATH OF HON. R. B. GILLIAM.

We are deeply pained to record the death of our highly esteemed fellow-citizen, Hon. ROBERT B. GILLIAM of Granville. This sorrowful event took place at his residence on Monday evening, the 18th inst. in Oxford, at 8 o'clock, P. M. The tidings will carry sadness to a large circle, who had known him. We had hoped for some days to be spared this painful notice, by his speedy recovery, but within two days our fears had been excited and now the affecting truth comes to us, filling this community with sadness and gloom.

Judge Gilliam was a universal favorite in the large circle which he filled, but especially in Granville and all the adjoining counties. His intelligence, his cheerful spirit, his genial and warm heart, his great charity and kindness and his personal integrity, made him to be more esteemed than falls to the lot of many. He was a good lawyer, well read in polite literature, a most excellent companion and firm friend. He represented the people of Granville at various times in the General Assembly and in the State Conventions. He filled with great acceptability for years the office of Superior Court Judge, and at the time of his death was a member elect from this District to Congress.

His death falls heavily upon the people of Granville and of this District, but most surely upon his afflicted and mourning family. We suppose the Judge was about sixty-six years of age. His health has been feeble for some years, but he falls in the midst of usefulness and when the State could ill spare him. Peace to his ashes.

A RESTRICTED CONVENTION.

We hold that all political power in this country is in the hands of the people. We do not mean that it ought to be so theoretically, but that it ought to be so really, in principle and in practice. But the people cannot individually or collectively govern the State, only conventionally, or by their representatives. A State Convention called to make or to amend its organic law, cannot in any practical sense be *the people assembled*, except in so far as their delegates or servants reflect their will, either expressed or fairly implied. A State Convention cannot therefore, in any just sense, be such a body as is above the people, or beyond or above obedience to their instructions. While therefore a Convention elected by the people to frame in the outset their organic law, may be said so to embody the people and to express their will, when unrestricted by them and left to their own wisdom and which has not usually been limited by express precept in its powers, yet it is palpable that even in that case, the people do not concede to a Convention absolute and independent powers; since in all such instances in this country, the draft of the organic law by a Convention, has never been conceded to be the organic law of the land or the Constitution, even where plenary powers have been claimed by or granted to the Convention, until said Constitution has been accepted formally by the people as their Constitution.

If this argument be sound, it is clearly no departure from democratic or republican principles, for the people in calling a Convention to amend the Constitution, to restrict their delegates in Convention to certain specified changes, and to limit their powers to those changes and none others. Such a Convention is perfectly legitimate, and no body of delegates dare go beyond such instructions.

Such a Convention and none other is needed now in North Carolina. The present Constitution is not wholly vicious or obnoxious to the people. In so far as it accords with the Constitution of the United States and gives to us a republican form of government, and does not infringe the rights of the people and is adapted to their condition and is promotive of the general welfare under which we may maintain our liberty and promote our prosperity and happiness, *let it stand!* But in many particulars it hinders and destroys the peace, the happiness and prosperity of the people, and in so far as it does this, *let it be amended!* That is what we understand the people to desire and nothing more. Let it be done therefore we say, wisely and properly, and as soon as possible. Let no timidity, no groundless fears of partizan failure deter the people from demanding it. This is no partizan measure. We do not ask it in the name of a party but in the name of the people of North Carolina.

ALMOST SACRILEGE.—The late President Swain of the University and his long and useful labors and strong character, merit an accomplished biographer. The best native pen of the State could hardly be better employed, than in delineating the life, labors and character of that able, useful, good man. The *Standard* mentions what no one would have dreamed of, that the carpet bag Prof. Brewer of Solomon Pool's and Holden's charity school, has written the life of Gov. Swain. Why did not Brewer let that good man's bones lie undisturbed? Is it enough to make him turn in his grave, if it were possible. Who will read it? Surely none who respect the memory of Old Bunc., or who loved him when alive.

MEMORIALS OF GEN. LEE.

We have on hand several columns of memorial proceedings in reference to the death of Gen Lee, held at several points in the State. It would gratify us much if we could spread all these proceedings before our readers. They are expressive of the deep feeling which pervades the State, at the loss of one of the greatest and best men of this or of any other age. But our readers and friends will readily excuse us from publishing these proceedings, when they see how utterly impossible it is, in the crowded condition of our columns. They must therefore be content with a mere synoptical account of those proceedings.

On the 14th inst., a large number of the citizens of Thomasville, N. C., met to express their great sorrow at the melancholy event. Maj Hambrick was called to the chair and Messers. S. W. Howerton and John D. Paylor acted as secretaries. The committee reported suitable resolutions, and J. A. Leach, Esq., Rev. Dr. Reid, Rev. W. C. Wilson, J. W. Thomas, Esq. and Rev. C. C. Andrews, pronounced "touching eulogies upon the character of the great departed Hero,—not merely formal expressions of admiration of his virtue and grief at his death, but real heart-utterances that brought tears from many eyes."

On the 14th at Lexington, N. C., the citizens *en masse*, gentlemen and ladies, assembled to do honor to the distinguished dead. Col. A A. Hill was called to the chair, and Capt. A. M. Rhyne was appointed Secretary. A large Committee was appointed, Gen. J. M. Leach, Chairman, which reported a series of appropriate resolutions. Gen. Leach, T. C. Robbins and J. H. Wellborn, Esqs., Rev. R. G. Barrett and M. H. Pennix, Esq., delivered touching and eloquent eulogies upon the deceased.

At Morganton, on the 14th inst., the citizens of Morganton, irrespective of party politics, assembled to express their feelings of sorrow. T. G. Walton, Esq., was called to the Chair and J. J. Davis acted as Secretary. The Committee reported very appropriate resolutions. Ex-Gov. Vance, who was in attendance at the meeting of the Stockholders of the Western N. C. Railroad, being called on made a most touching and powerful speech. His Honor Judge Henry, being Chairman of the Committee, after presenting the resolutions, paid an eloquent tribute to Gen. Lee. Lt. Gov. Caldwell, Solicitor Joyce, Col. Gaither and Maj. A. C. Avery followed in touching speeches.—The Secretary says, "it was a most solemn and impressive occasion."

At Durham, Orange county, N. C., a large number of citizens met on the 15th inst., to express their unfeigned sorrow at the death of Gen. Lee. Col. D. C. Parish was called to the chair and C. B. Green was appointed secretary. The chairman explained the object of the meeting and on motion appointed a committee to draft resolutions. The committee reported a series of well drawn resolutions, which were unanimously adopted and the meeting adjourned. At most of the places, the meetings resolve to wear crape on the arm for thirty days.

HON. SAMUEL F. PHILLIPS.

This political doubter as was noticed yesterday, is the Holden Radical candidate for the Legislature. He is to be Holden's man in the next Legislature, as much as Kirk and Burgin were in Holden's late operations in Alamance and Caswell.

The Governor's son and Private Secretary took an active part in bringing out Mr. Phillips. Only three Townships out of sixteen, we are told, had *bona fide* representatives. Sheriff Lee, of Boston, held proxies for several townships. Major General Willie D. Jones and Post Master Rogers with a few office holders about the city, took it upon themselves to act for the unrepresented Townships. C. L. Harris acted as Chairman of the meeting. The never failing J. B. Neathery & Co, acted as Secretaries. The Co. was a colored gentleman, Mr. John Sawyer.

The colored people seemed quite indifferent at the nomination. One colored Republican was anxious for Mr. Badger to be nominated. He wanted to show "Mr. Badger that the negro had a soul."

Mr. Phillips will not be more acceptable to the colored voters than Mr. Badger. Mr. Phillips having declared this was a "white man's government" and opposed the black man's voting or holding office, cannot be a favorite with them. No doubt like Col. Hargrove who wanted to put them back into slavery, he has "*pented* himself" of such sentiments.

In his Asheville speech, Mr. Phillips approved of Holden's military movements. At Statesville in reply to Gov. Vance's inquirks, he would only say, "I have nothing to do with it. I know nothing of Gov. Holden's military movements."

Mark what we say. Mr. Phillips before the people of Wake, will denounce the Kirk invasion. Before the Legislature he will defend it all, in defending his friend Gov. Holden.

If the people of Wake will make themselves as alive to the demands of the State as did the people of Martin county in the late election, they will beat Mr. Phillips, and beat him badly. We are told that only two white men in Martin county failed to vote. The result was Martin elected Conservatives against greater odds than we have to contend against in Wake.

If Mr. Phillips is to defend Holden and Kirk, we say he is no more fit to represent Wake than Holden, Kirk or Burgin. We say Kirk is more worthy to represent Wake county than any man who invited him here, or sustained him after his coming.

RESIGNED.—It seems now to be understood that Gen. Cox of the Interior Department has certainly resigned and that President Grant accepts it. Gen. Schenck, of Ohio, recently beaten for Congress by Mr. Campbell, Democrat, will probably be called to filled the vacancy.

JUDGE CHASE.—It is again reported that Chief Justice Chase is past recovery. His domestic establishment at Washington City, is said to have been broken up.

STATE FAIR—ADDRESSES, ESSAYS, &c.

While we do not doubt there will be much to interest the numerous curious visitors in attendance upon the State Fair, which opened on yesterday, in the shape of fine horses, cattle, sheep, hogs and poultry; in the exhibition of useful and varied agricultural implements, agricultural products, in the mechanical skill of our artizans, and in the taste and industry of our ladies in Floral and other Halls, yet we regard with special interest, the Essays which will be read and the discussions of the State Agricultural Society every night, at its meetings in the hall of the House of Representatives and the annual address which may be expected from Rev. Dr. Phillips, of Davidson College, on Thursday, and the address from Gov. Graham on Friday, on the life and character of the late Chief Justice Ruffin.

The essays and discussions develope much information and afford many valuable hints in reference to agricultural, mechanical and domestic matters. Rev. Dr. Phillips though he has spent a useful life, not in the respectable calling of a farmer, but in the harder vocation of instructing the youth of our State, has a mind so well stored with valuable and varied knowledge, may be expected to present, not simply interesting topics for consideration, but an able, thorough and suggestive discussion of subjects of greatest moment to farmers, and every other class of community. Of Gov. Graham's ability to interest and instruct his audience, no one doubts. His theme and his fine rhetoric will afford most valuable intellectual food for the people, who have often hung upon his lips with delight and whose wise counsels they know how to appreciate.

SOW WHEAT.

We hope none of our farmers will fail to seed this fall, a large crop of wheat, whose lands are adapted to it. But we do not mean that they should put down a full crop in the ordinary way, on poor unthrifty land, simply because they have a plenty of waste land.

No crop would be really more profitable in North Carolina, on the lands adapted to it, than the wheat crop, provided the crop is well put in by deep ploughing and thorough tillage and a liberal supply of lime and other cheap fertilizers. We do not mean that the seed should be deeply covered, but that the soil should be deeply ploughed and thoroughly pulverized, before the wheat is sown.

The expense of thorough tillage and judicious fertilizing, will always be repaid by the product of the crop of wheat.—While a crop on sterile or unaided soil and bed tillage never pays. Besides, the profit of the wheat crop properly tilled and fertilized, is three fold. It saves labor, does not interfere seriously with other cropping, and then leaves the land in a better condition for improvement than any other crop. We would therefore impress it upon our farmers, sow wheat. Keep at it, till the last of November, if you cannot get it in sooner. Put it in on well tilled soil, aided by lime and other cheap fertilizers, and you will not regret it.

THE GRASSES.

We observe that some one has offered a special premium for the best boquet of grasses in sufficient variety, grown in this State, brought to the State Fair. We suspect that the author of that proposition, will either be the only contestant for the prize, or he designs to *slur* or *twit* our farmers. With the exception of here and there a red clover patch, we strongly suspect that there are not ten planters, in the ten counties of Wake, Franklin, Warren, Granville, Person, Caswell, Guilford, Alamance, Orange and Chatham,—a section admirably adapted to the cultivation of the best grasses—who make enough good grass to keep an abundant supply of good milk, butter and beef and mutton, during each month in the year. Good milk, butter, beef and mutton are essential to comfort and health, but where shall we go in all the ten counties named, always to find these articles good and abundant? Poor milk, poor butter and tough poor beef and mutton are the rule in this region. Exceptions are rare and always will be so, till our farmers learn, both for pleasure and profit, to cultivate the fine grasses, which will grow so well on our middle county lands.

WESTERN N. C. R. R.—A meeting of the Stockholders of this Company was held at Morganton on the 13th instant.

Dr. J. C. McDowell, Col. S. McD. Tate, Judge Merrimon and Gov. Vance, were chosen Directors on the part of the Company. The names of the Directors on the part of the State, stand pretty much as they did last year.

At a meeting of the Directors subsequently, Dr. J. J. Mott was elected President, Col. S. McD. Tate, Superintendent, Capt. W. Ellason, Chief Engineer and Capt. H. C. Cowles, Secretary and Treasurer,—all of the officers of the past year being re elected. Their administration was approved, but their salaries were reduced. Every effort will be made to complete the Road, but we are not advised of the amount of means on hand or in prospect to effect it. The trains on that Road will only be run three times a week.

For the Sentinel.

ALAMANCE, Oct. 13, 1870.

MR. EDITOR:—Two of our Radical Commissioners, Wm. Harding and Andrew Murray, Jr. revised the jury list, and purged it of the following names; at least we heard it as coming through another member of the Board, who disapproved the action. The names erased were T. M. Holt, A. G. Moore, J. S. Scott, John Denny, Robt. Hanner, P. Teague, Green Andrews, and his three sons.

I have named in this list some of the best men of the county, in point of intelligence, property and character. It is thought the Radical and negro element will predominate in our next list of jurors. We hope there is evidence enough to indict Red Eye and Clerk Albright for their complicity with Kirk in the arrest and imprisonment of their neighbors. They are properly punished by the scorn in which good men hold them and their allies.

Yours,

SAXAPAHAW.

THE SENTINEL.

CITY AND STATE ITEMS.

WEDNESDAY, OCTOBER 19, 1870.

Mr. THOS. S. RAMSAY, as Business Clerk, is authorized to make contracts and give receipts, &c., &c.

Cotton Market quiet at 13 to 13½.

A. G. LEE & Co.

New style Bonnets and Hats continue to arrive at HESTER'S new millinery store on Fayetteville street where the quality and prices never fail to suit. Give them a call.

ST. MARY'S SCHOOL.—A Musical Soiree will come off to-morrow (Thursday) evening at St. Mary's School, commencing at half past seven o'clock. The programme is very rich and will doubtless be rendered in fine style.

WILLIAMS & HAYWOOD.—This long established Drug Store, occupies its old stand. They have a large and well selected stock of Medicines, Drugs, &c., on hand, sold at wholesale and retail on the best terms. Parties visiting the Fair will find almost every article desirable in their line.

The best in the State on style and workmanship, the most successful on fits, thoroughly understanding the science of fits without producing "fits;" no foot so well or badly formed that he cannot fit with ease to the wearer—is R. H. Lee, late of Chapel Hill, who is now D. C. Murray's foreman. Call and give him a trial.

ATTENTION HOOK AND LADDER COMPANY.—The foreman hereby notifies the members of this Company to meet at their room to-morrow at ½ past 1 o'clock, P. M, to join in the parade of the Fire Department and to visit the State Fair. Herein do not fail.

Mr. W. H. Gerkin, General Agent of the North Carolina Beneficial Association, of Wilmington, is in the city and wishes to see the people in reference to the business of his Company. His office is at the National Hotel.

WOOD WARE.—We are in receipt of a most beautiful wooden (red cedar) water bucket, just from the factory of Messrs. Hutchinson & Bishop of Newbern. We have never seen any thing superior to it, in workmanship, material or durability.—With care, a red cedar bucket, would last until the brass hoops had worn off four times and until our great great grand children go to house-keeping. It shall be kept in our family as an heir loom, and we shall not forget Messrs. Hutchinson & Bishop.—They have on exhibition at the Fair these articles, and they are sold in the city.—Look at and try them. All North Carolina wood and work.

METROPOLITAN HALL.—HARRY MACARTHY and his troupe of Excelsior Minstrels appeared at this Hall last evening and for two or three hours charmed a large audience.—This great Comedian not only fully sustained his high reputation but was capitally supported by his troupe in every particular.

The company is in every respect one of a high order of talent and merit a liberal patronage at the hands of the community.

We advise those who did avail themselves of the opportunity last night not to fail to attend this evening, if they wish to drive "dull care" away and spend a pleasant evening.

TUCKER HALL.—Edwin Forest, splendidly supported by the acknowledged stars Miss Lillie and Mr. W. Harris, again delighted our citizens in their rendition of Bulwer's "Richilieu." Mr. Forest's acting was what his reputation led us to expect of him and his rendition of "Richelieu" was well worthy of his record as a great actor.

Miss Lillie, as Julie de Mortimer, was indeed charming and fully established her claim as an actress of the first order of merit. She was exquisitely graceful in her delineations, with a voice that gave an additional charm in combining a distinct articulation, perfect accent and beautiful modulation. Miss Vincent as Marion de Lorme, was fully up in her part and filled her role well.

Messrs. Harris, Arnold, Mathews and Mitchell sustained their parts admirably and were the recipients of much praise.

The citizens of this community do not often enjoy such a rich treat as was served up to them at Tucker Hall last evening and we are sure they will show their appreciation of this talented corps by continuing to give them large audiences during their stay in this city.

CENTRAL AGRICULTURAL SOCIETY.—At the regular annual meeting of the members of the Central Agricultural Society held at Henderson on the 14th inst., the following officers were elected for the ensuing year:

President.—Dr. William J. Hawkins.

Vice Presidents.—Col. P. R. Davis, Col P. E. A. Jones, Dr. S. D. Young, Capt. J. J. Davis, Col. W. J. Green, Col R. P. Hamlin, B. A. Cabehart, Esq. and Dr. S. G. Ward.

Executive Committee.—Dr. W. W. Young, Chairman, Capt. J. E. Clarke, Capt. A. B. Andrews, Capt. R. G. Brodie, Gen. J. B. Littlejohn, Capt. Sam'l. J. Parham, Jno. W. Wiggins, Esq., Dr. W. T. Cheatham, Capt. L. J. Young, Hon. K. P. Battle, Dr. G. W. Blacknall, and Col. Harvell Harris.

Treasurer.—W. W. Jones.

Secretaries.—S. P. J. Harris and Harry Lassiter.

$500 REWARD offered by the proprietor of Dr. Sage's Catarrh Remedy, for a case of Catarrh which he cannot cure. Sold by druggists or by mail at Sixty Cents. Pamphlet giving symptoms and mode of treatment, sent free. Address Dr. R. V. Pierce, Buffalo, N. Y.

THE WHITE-HAIRED KING who offered millions for a new pleasure, would have assigned the reward to PEALON'S VITALIA, OR SALVATION FOR THE HAIR, because it would have enabled him to renew in his silver locks their youthful glory. The Vitalia is clear and has no sediment. It does not stain the skin, but will color the hair in a very few applications.

STATE FAIR—FIRST DAY.

Compared with last year's exhibition, the present is in many respects far better. Every department is represented by an equal or greater number of specimens and of more superior quality than they were at the last Fair, except in the division of swine. The number of visitors yesterday was far greater than on the first day last year.

We did not attempt to particularize, yesterday, we leave that for the remaining days of the Fair, because articles were arriving and being entered nearly all day in almost every department.

The Fair was formally opened at 10 o'clock, A. M., by a procession of the Executive Committee in carriages and Marshals on horseback, preceded by the Raleigh Brass Band who are engaged for the week. The procession moved from Fayetteville Street to the grounds and around the track, after which each officer and Marshal took charge of his respective duty.

The Marshals are:

Gen. W. G. Lewis, Chief, assisted by Maj. J. M. Crenshaw of Wake, Dr. W. C. Capehart, of Chowan, Capt. Wm. P. Hill of Mecklenburg, Capt. J. G. Keenan, of Duplin, Capt. George Little, of Warren, Capt. Sam Wester, of Nash, Maj. Bazil Manly, Dr. J. H. McKee and Dr. Furman Dowd, of Wake, Phil. Sasser, Esq., of Wayne, John Crow, Esq., of New Hanover, Capt. John Blount, of Beaufort, and A. G. Moore, Esq., of Alamance.

By the afternoon the Halls were pretty well arranged by the several Superintendents, who deserve much praise for their intelligent efforts to get things "ship shape."

The following is a list of the Superintendents of the different Halls:

FLORAL HALL.—Mrs. Alfred Williams, Miss Sophia Partridge, P. F. Pescud.—*Assistants.*—Mrs. H. S. Smith, Mrs. Sarah Pescud, Mrs. Jere Nixon, Mrs. Dr. Beck with of Smithfield, Miss King of Louisburg, Miss Sue B. Pescud, Miss Jennie Gales, Miss Mollie Edmunds of Halifax, Miss Hattie Jordan, Miss Mollie Nixon, Mr. John Johnston, Masters Weston Gales, Ruffin Litchford, George Jordan and Frank Stronach.

MECHANICS HALL.—James M. Betts and Henry Porter.

ARTS HALL.—J. C. S. Lumsden and E. B. Thomas.

MINERAL HALL.—J. A. Rogers.

According to the programme for the day, the trotting match came off at 3 o'clock, p. m. There were three entries, PERSON'S Twist, Harvey's Express and Wagoner's Loafer. The trial was to light harness, mile heats, best three in five, and taken by Twist in two straight heats, time, 2 40½—2 39½.

To-day we expect to "interview" the various departments and make such special notice of articles on exhibition as time and the opportunity for gaining information may enable us to do.

PROGRAMME FOR WEDNESDAY.

The Judges will assemble at the Secretary's office at 9 o'clock.

At 10 o'clock, A. M., trial of speed.

At 11 o'clock, A. M., plowing match.

At 2 o'clock, P. M., practice of horses.

At 3 o'clock, P. M., trial of speed.

Thus far everything promises a pleasant time. There are visitors here from nearly all parts of the State, and many of North Carolina's fair daughters grace the occasion with their presence.

Sedan.—Cloud is a total ruin.

Bourbaki will co-operate with Bazaine.

There was a French reconnoissance at Bagneux this morning in which the Prussians suffered a loss of 300 killed and 200 wounded. The object of the movement on the part of the French was accomplished.

Both French and Prussian forces continue concentrating near Orleans. Large Prussian reinforcements have arrived in the Northern Department; they are evidently coming toward Rheims and Reims.

Another successful sortie from Paris announced by which the Prussians lost 3,000.

There are constant re-enforcements to the German army. There are 600,000 Germans on French soil.

The Parisians are calm and hopeful. Their fire is wonderfully exact. It is impossible to bombard Paris while the forts are so well served.

The great number of orders received from all parts of the State, and the liberal patronage of the LADIES of RALEIGH, has been truly encouraging to this new establishment, for which the undersigned returns many thanks, and promises to continue the usual promptness in filling orders, and an earnest effort to please all.

THE PAIN KILLER

This celebrated medicine has won a deserved-ly high reputation as an alleviator of pain and a preserver of health. It has become a household remedy, from the fact that it gives immediate and permanent relief. It is a purely vegetable preparation, made from the best and purest materials safe to keep and to use in every family. It is recommended by physicians and persons of all classes, and to-day, after a public trial of thirty years—the average life of man—it stands unrivalled and unexcelled, spreading its usefulness over the wide world. Its large and increasing sale affords positive evidence of its enduring fame. We do not deem it necessary to say much in its favor as one small bottle will do more to convince you of its efficacy than all the advertisements in the world. Give it one fair trial and you would not be without it for ten times its cost.

Directions accompany each bottle.

Sold by all Druggists.

THE MOST VIGOROUS AND PROGRESSIVE COMPANY IN THE WORLD.

The Equitable

LIFE ASSURANCE SOCIETY OF THE UNITED STATES

120 BROADWAY, NEW YORK.

BURROUGHS & SPRINGS,
GENERAL AGENTS,

CHARLOTTE, N. C.

TWENTY-ONE REASONS FOR PREFERRING THIS COMPANY TO ALL OTHERS.

1. Its cash assets are upwards of $13,000,000.00 and constantly increasing.
2. None of this is made up of promissory notes as in many Companies.
3. Its cash income per annum is over $6,000,000.00 and steadily growing larger.
4. None of this is composed of the notes-of-hand of policy-holders, as the case in many companies.
5. It has paid to widows and orphans, and other claimants under policies on deceased members, about $4,000,000.
6. Such payments are made in cash, and not partly in cancelled notes, as is the case in many companies.
7. No deductions are made from the face of a policy for premium notes when it becomes a claim, as is the case in all Note Companies.
8. The sum of $3,500,000, and upwards, in cash divided among policy-holders, (this includes the dividend for the present year), as profits of the business.
9. All the profits of the business are annually divided among the assured Equitably, instead of being wholly or partially distributed among the stockholders, as is the case in all "Mixed" and "Proprietary" Companies.
10. Dividends are invariably available as cash in payment of premiums.
11. The dividends are made from the start and not postponed until after the lapse of several years, as in many Companies.
12. The Society deals Equitably with its policy-holders.
13. The Equitable has made more progress since its organization than any other Life Company in the world.
14. Its risks have been so carefully selected and its dealing so equitable, that it has never been obliged to contest the payment of a claim at law.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other company in the world.
16. It issues all the popular styles of policy, including "Ten Year Non-Forfeiting" and "Endowment policies."
17. The amount of new business during the year ending December 1, 1869, was $51,021,141.00.
18. Its policies average larger in amount than those of any other company, showing that capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to the assured on the "Contribution Plan," which is conceded to be the only equitable mode of division, and not by the mode adopted by many companies, which is grossly unjust to a large proportion of the policy-holders.
20. It is as liberal in the conduct of its business as is consistent with safety to the assured, and does not sacrifice proper caution to an ambition to increase the nominal amount of its business as is the case with many new companies.
21. It is the favorite company in the United States, as is shown by its new business for last year, being nearly $13,000,000 greater than any other company.

NEW GOODS! NEW GOODS!!

AT

Creech's.

I MAKE MY BOW AGAIN TO MY NUMEROUS friends and patrons, with a house full of goods and still they come.

Why, just look, the streets filled with drays all loaded with new Good's.

FOR CREECH'S.

Just received, 30 CASES OF DRY GOODS, containing a large and varied assortment; and when you talk about Dress Goods, and when you think of new styles and speak of Goods at the right prices, why, bear in mind that they are here and now opened, at Creech's. COME AND LOOK AT THEM.

CALICOES, CALICOES.

I will sell you Calicoes at 6 cents per yard; want you look at them at 10 cents and cant you afford to buy them at 12½.

Goods for Men's and Boy's Wear.

Don't you know that I keep the best assortment in the City? You that do not know it, come and look at them and to you that do know, come right along and buy what you want. I have got some for the boy's, plenty for the youth's. A fine supply for the young men old enough to keep the old gentlemen warm, so why not spend a few moments at Creech's and satisfy yourselves?

There the remote Bermudas ride
In the Ocean's bosom unespied;
From a small boat that rowed along
The listning winds received the song.

COME to CREECH'S.

Cloaks and Shawls, Cloaks and Shawls.

Did I say Cloaks and Shawls? That is just what I mean. What will sell them to you for $5.00? Do you want them cheaper? some quality. Cant find them? Do you want them finer still? Just say so, and I am the man to order them.

Boots and Shoes, Boots and Shoes.

Just received 100 Cases for Ladies, Misses, Boys and Children; so just put that naked foot into a boot or shoe, for it will soon be cold weather, and my friend, I see your boots are wearing out, and your shoes have a hole in them, so you had just as well come to Creech's and buy a new pair. They look better and fit better, any way; they keep your feet dry and preserve your health.

Hats, Hats, Hats.

All right; Prices right; styles right; and did you know that Creech's is the place to buy hats right? Come and look.

Ladies' and Misses' trimmed and untrimmed Bonnets; Would you not do well to spare a few moments and come and look at them?

I beg leave to return my sincere thanks for the patronage I have received for the last 20 years at your hands, and I hope, by strict attention to business, representing goods as they are and in every instance giving you the worth of your money, to continue to share a liberal portion of your patronage.

SUCCEEDS HIS FATHER IN THE AGENCY OF THE

NATIONAL LIFE INSURANCE CO., U. S. A.

For the Central and Northern Counties in

NORTH CAROLINA.

The NATIONAL, under the management of his father, P. F. Pescud, Sr., secured very many warm friends who obtained policies for large amounts, and the fact that it has issued upwards of

10,000 POLICIES,

and nearly doubled its immense Capital of $1,000,000

in about two years, speaks more for its wonderful popularity than any language at my command. The rates being based on the Stock Plan, and when compared with Mutual Cash rates, are so much lower, that a certain and handsome dividend is secured from the date of the Policy.

I will be gratified to take applications from my friends and all wanting Policies, and shall want many active and reliable Agents, in the fields assigned me.

FOR THE IMPROVED

"UTLEY COTTON PRESS."

THE "UTLEY PRESS" So well known, and which gave entire satisfaction last season, can be obtained of me at Raleigh, or my Agents, Messrs. Mitchell, Allen & Co., Newbern, with its improvements.

Price $175.00.

This invention of power, whereby all friction is overcome, its simplicity, economy and durability, astonishes all who see it; and the more so, that a power so simple should have remained so long unappropriated. The strain is wholly borne by the Bed Plate, Follower Block, and two 1¼ inch square iron bars, which is capable of sustaining a strain of 190,000 lbs. Thus giving much more strength than is required. WITH THIS PRESS TWO MEN CAN PACK A BALE OF COTTON WITH EASE IN EIGHT MINUTES WEIGHING FROM 400 to 550 lbs.

One man can do the work, only requiring long or time.

It occupies a very small space, and can be so placed as to receive the lint direct from the Gin or Lint room, as may be desired. Thus doing away with baskets, and frequent handling of the lint.

It is light in weight, can be taken down or put up in 30 minutes and transported on a two Horse Wagon.

I believe it unequalled by any Press for power, convenience and durability.

Press complete—Dig4h Cotton Box 8 feet; Size Bale 44 feet 12x18 inches; wt. Bale 400 to 550 lbs.

BENEFIT LIFE INSURANCE COMPANY

OF NEW YORK.

Cash Assets over $1,500,000,

ISSUES ALL FORMS OF NON FORFEITABLE WHOLE LIFE AND ENDOWMENT POLICIES on the Mutual Cash Plan, declaring Dividends annually after the first annual premium paid. Assets exclusively Cash with no portion of its reserve fund in premium notes, consequently its "reserve" is stronger than that of any Company doing business in this State. No "*Dividends surrender values guaranteed*" as an inducement to new business, but reference is made to the average amount, paid on each surrendered policy as shown by New York Insurance Reports, 1869 in excess of having paid larger surrender values, than has been given under a minimum "Definite Cash Surrender Value." *Death losses* have not occurred, out of several hundred policy-holders in this State, which fact must establish the better ability of the Company, to pay larger dividends than Companies having an excessive mortality, the result of a selection of bad risks. *Dividends* are not declared, but Dividends are given from the actual surplus in accordance with the Company's Charter. The attention of the public is invited to the following comparison of cost, demonstrating the advantages over ordinary insurances, of the

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks,*—upon which elements of administration the security of a Life Insurance Corporation *depends.*

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers in looking around for Companies in which to insure, should carefully seek for this important SAFEGUARD. It will be found in the BROOKLYN LIFE.
